for living

HD Camera - Outdoor

NZLES800HD-OD

Outdoor network HD camera

Product

The HD Outdoor Camera is an outdoor network 1.3 MP HD bullet camera which is fully integrated with SECURELY for living connected to the LAN on the premises. Features include:

- Easy installation
- High quality picture: 720p HD resolution
- Live view with audio capability viewable from the SECURELY for living mobile app.
- Continuous cloud recording with a range of storage levels.
- Weatherproof: Water and dust resistant
- Option to provide power over the LAN connection (PoE)
- Accessories include a bracket to install the camera on a flat wall (with screws)

SECURELY for living

The SECURELY for living suite allows living life fully through smart connected homes

- Home security, safety and home automation at the core
- Notifications of security events and remote management of the home in real time
- Modular and expandable - manage connected home devices with Z-Wave® expansion
- Smart Rule engine for automation – decide which device, condition, or event will trigger which actions and at what time
- Live HD video – anytime, on any screen
- Save energy and money by ensuring that lights and air conditioning are turned off when not at home
